

BRIEF CITY NEWS

Stopped to See—R. C. Wilson, of Cincinnati, Ohio, is a visitor in the city enroute to Los Angeles. Mr. Wilson stated yesterday that he had heard a great deal of Bisbee as a copper producer, and on a pleasure trip to the coast decided to stop off and have a look for himself.

Hand Cut—Arnold Willis yesterday had a hand badly cut as the result of a draw knife slipping. He was handling the knife with one hand and endeavoring to steady a board with another when the knife slipped, the keen blade catching the back of his hand and cutting it deeply clear across.

On Business Trip—H. W. Butterfield, representing the Delaware & Lackawanna, was a visitor in the city yesterday. So also was Charles E. Johnson, of the Nickel Plate. Both these representatives of eastern lines have their headquarters in Chicago. They are in the territory at the present time on a tour of inspection with a view of acquainting themselves to a greater degree with the resources of the Southwest and its traffic possibilities in relation to their lines.

Stove Exploded—A gasoline stove in the home of Perry James in Tombstone canyon exploded yesterday afternoon when a match was placed to it. The kitchen of the house was set on fire and a little son of Mrs. James slightly burned about the face. Mrs. James, who was standing over the stove when the explosion occurred, remarkably enough escaped injury. Prompt use of blankets smothered the fire in the kitchen before more than small damage was done. The explosion is supposed to have resulted from the feed pipe of the stove having become clogged.

BAUER'S MEAT MARKET.

A Shop That Handles Only Phoenix Beef.

One of the pioneer meat markets of Bisbee is Bauer's market on O. K. street, opposite the depot. The shop makes a specialty of handling only Phoenix beef, and many is the carload of fat beef cattle which reaches here consigned to the Bauer market. Mr. Bauer is a rare judge of cattle on the hoof, and every steer must pass his critical inspection before being killed and dressed for use in the market. In consequence the meats offered are of the best quality. Try Bauer's meats.
